h.cox@email.com (123) 456-7890 Pittsburgh, PA

LinkedIn

WORK EXPERIENCE

IT Intern

PPG Industries

2023 - current Pittsburgh, PA

- Assisted in managing and resolving IT tickets using the Jira Service Desk, **reducing ticket resolution time by four minutes**
- Helped in the configuration of Nagios for network monitoring, ensuring 24/7 monitoring and minimizing network outages
- Collaborated with four IT staff in conducting network diagnostics using nslookup, identifying and resolving DNS-related issues
- Aided in Utilizing HWiNFO for hardware monitoring and diagnostics, identifying potential hardware failures proactively, and reducing downtime incidents by 7%

Cashier

Dollar General

2021 - 2022 Pittsburgh, PA

- Managed cash transactions accurately and efficiently, maintaining a high level of cash register accuracy above 99.7%
- Processed customer transactions quickly, which minimized wait times by two minutes and optimized customer satisfaction
- Promoted loyalty programs and special offers, **boosting customer participation by 22% and loyalty metrics by 6%**
- Cross-trained in various store operations, including stocking, pricing, and receiving shipments, improving overall operational efficiency

PROJECTS

Beyond the Basics

Seminar Attendee

2020 - 2021

- Gained proficiency in troubleshooting macOS issues, including common software and hardware-related issues
- Learned about industry trends and emerging technologies in IT support, acquiring insights into opportunities for career growth and advancement
- **Participated in interactive discussions and case studies focused on real-world IT support scenarios**, gaining practical insights and problem-solving skills
- Networked with industry professionals and fellow attendees, building connections and expanding professional contacts

CAREER OBJECTIVE

To leverage my passion for technology and my aptitude for problem-solving in an entry-level IT support role at Year Up. With a commitment to continuous learning and a drive to excel, I aim to contribute effectively to the team while honing my skills and gaining valuable experience in the dynamic field of IT support.
