## EDUCATION

Bachelor of Science
Mechanical Engineering
University of Georgia
2016 - 2020
Atlanta, GA

## SKILLS

### Design & CAD Tools

- SolidWorks and CATIA

### Analysis & Simulation

- Finite Element Analysis (FEA)
- MATLAB

### Software & Programming

- LabVIEW and Oracle EBS

### Project & Process Optimization

- Bill of Materials Management

## CERTIFICATIONS/ LICENSES

- Engineers License

## WORK EXPERIENCE

### Lead Mechanical Engineer

Summit
2023 - current  Atlanta, GA

- Performed initial and ongoing design reviews for 100% of projects for the team, with an 88% acceptance rate by leadership
- Delivered detailed documentation with 15 specific corrections, achieving perfect record adoption of recommendations
- Reviewed 50+ CAD drawings from junior engineers for accuracy, providing actionable feedback that earned positive remarks from leadership
- Trained 7 team members on CAD/CAM software features; **achieved 96% accuracy in certification tests**

### Mechanical Engineer

Genex Systems, LLC
2020 - 2023  Atlanta, GA

- Outlined project scopes for 5+ engineering projects, managing budgets up to $500K while meeting all defined goals
- Developed a MATLAB program to track process metrics, implementing solutions that cut deficiencies by 47%
- Implemented a CAD/CAM system that **cut design time by 13 hours** weekly for a team of 5
- Recognized as Team Engineer of the Year at Summit for 5 consecutive years due to outstanding project contributions and team leadership

### Cashier

Home Depot
2019 - 2020  Atlanta, GA

- Operated paint station and trained 5 crew members, resulting in a 7% increase in paint sales over 3 months
- Implemented a new in-store promotion for home blinds, **increasing traffic to the blinds department by 13%** with a sales increase of 6%
- Processed 200+ transactions daily, ensuring cash drawer accuracy each shift
- Managed cash register across 3 shifts, processing $9.2K in 168 daily transactions
