WORK EXPERIENCE

Mechanical Design Engineer

PDS Tech

2024 - current Houston, TX

- Supervised a 5-person team to update documentation for drawing packages and machine specs, ***cutting completion time by 18 hours***.
- Led 150 mechanical equipment installations over 5 years, enhancing project capacity by 21%.
- Expanded network of machine shops by 16, enhancing fabrication service capabilities and reducing project lead times.
- Reduced equipment troubleshooting errors by 8% for automated systems using Siemens TIA Portal diagnostic software.

Entry-Level Engineering Designer

Cuhaci & Peterson Architects

2022 - 2024 Houston, TX

- Finalized redline markups for 3 projects in 48 hours, cutting delivery time by 11%.
- Designed 12 innovative lighting solutions for commercial spaces using AutoCAD, ***delivered on time for projects valued at $500K***.
- Revised 5 design specifications for a major infrastructure project based on input from mechanical, electrical, and civil engineering teams.
- Monitored compliance with new state and federal regulations for 3 departments, ensuring timely adaptations.

Customer Service Representative

Circle K

2021 - 2022 Houston, TX

- Recommended products to customers, ***boosting average purchase value by $5.20*** across 200 transactions.
- Managed team during opening and closing shifts, with 8 staff and zero call-outs over 3 weeks.
- Guided team to achieve a 98% customer satisfaction score, setting a new departmental record.
- Installed digital wayfinding signage, boosting daily foot traffic by 38 visitors.

EDUCATION

Bachelor of Science
Design Engineering
Texas A&M University

2018 - 2022
College Station, TX

SKILLS

CAD & Design Tools

- AutoCAD and Siemens NX

Simulation & Analysis

- MATLAB / Simulink

Product Development

- Rapid Prototyping / 3D Printing

Engineering Processes

- CNC Machining Processes
- Engineering Change Management Systems
- Failure Mode and Effects Analysis (FMEA)

CERTIFICATIONS/ LICENSES

- Professional Engineer License
