EDUCATION

Bachelor of Science in Civil Engineering
Civil Engineering
Cavite State University
2013 - 2018
Cavite, PH

SKILLS

- AASHTO Standards
- Pavement Analysis
- AutoCAD Civil 3D
- Road Condition Survey
- HDM-4
- HMA Mix Design

WORK EXPERIENCE

Pavement Engineer

Department of Public Works and Highways

April 2021 - current Imus, Cavite, PH

- Conducted pavement condition surveys on 200km of national roads in Cavite province.
- Designed asphalt overlay and rigid pavement rehabilitation works for 12 road sections.
- Prepared pavement management system reports guiding annual road maintenance budget allocation.

Highway Engineer

HNTB Philippines

August 2018 - March 2021 Makati, PH

- Designed geometric road alignments for 3 national road bypass projects in CALABARZON.
- Prepared pavement structural designs using AASHTO 1993 method for 4 road projects.
- Coordinated with utilities and ROW teams on 8 highway improvement projects.

Highway Engineering Intern

Toll Regulatory Board

January 2018 - May 2018 Makati, PH

- Assisted in pavement condition evaluation surveys along the South Luzon Expressway.
- Observed pavement core extraction and laboratory testing procedures for asphalt samples.
- Compiled traffic volume count data used for toll road pavement design life estimation.
