(63) 983-766-7788
Makati, PH

EDUCATION

Bachelor of Science in Civil Engineering

Civil Engineering

Polytechnic University of the Philippines

2013 - 2018

Manila, PH

SKILLS

- Ground Penetrating Radar
- Utility Coordination
- Utility Mapping
- AutoCAD
- GIS (Geographic Information Systems)
- ASCE 38-22

WORK EXPERIENCE

Subsurface Utility Engineer

AECOM Philippines

April 2021 - current Makati, PH

- Led utility mapping surveys using ground penetrating radar for 4 major road projects in Metro Manila.
- Coordinated utility relocations for 3 expressway projects involving 8 utility service providers.
- Prepared subsurface utility engineering deliverables per ASCE/CI 38-22 standards.

Utility Coordination Engineer

HNTB Philippines

August 2018 - March 2021 Makati, PH

- Managed utility conflict identification and resolution for 45km of national highway improvement.
- Coordinated with PLDT, Meralco, and MWSS on utility relocation schedules and designs.
- Prepared utility conflict matrices and relocation cost estimates for 5 infrastructure projects.

Utility Engineering Intern

Department of Public Works and Highways

January 2018 - May 2018 Manila, PH

- Assisted in site surveys identifying surface utility installations along proposed road alignments.
- Observed ground penetrating radar equipment operation for subsurface utility detection.
- Compiled utility as-built information collected from 4 utility company records offices.
