# JOSHUA LIM

## Computer Vision Engineer

✉ joshua.lim@email.com 📞 (63) 917-998-2233 📍 Cebu City, Philippines

## WORK EXPERIENCE

### Computer Vision Engineer

**VisionTech Systems**

📅 2021 - current 📍 Cebu City, Philippines

- Developed image recognition and object detection systems using OpenCV and TensorFlow.
- Improved model accuracy for facial recognition applications by implementing CNN architectures.
- Optimized computer vision pipelines for real-time processing and deployment.

### Software Engineer

**PixelAI Solutions**

📅 2018 - 2020 📍 Mandaue, Philippines

- Assisted in image preprocessing and annotation workflows.
- Maintained AI-based monitoring systems for security applications.
- Conducted testing and debugging for computer vision modules.

## EDUCATION

Bachelor of Science in Computer Science

Computer Science

**University of San Carlos**

📅 2019 - 2023

📍 Cebu City, Philippines

## SKILLS

- Python
- OpenCV
- TensorFlow
- PyTorch
- CNN
- Docker
- Git
