ANGELA TORRES

Geotechnical Engineer

✉ atorres@email.com

📞 (63) 918-552-7844

📍 Makati, Philippines

EDUCATION

Bachelor of Science in Civil Engineering
Geotechnical Engineering
Mapúa University
📅 2014 - 2018
📍 Manila, Philippines

SKILLS

- Slope Stability Analysis
- Foundation Design
- PLAXIS
- Soil Investigation
- AutoCAD
- Geotechnical Reporting
- Site Inspection

WORK EXPERIENCE

Geotechnical Engineer

Fugro Philippines

📅 Mar 2020 - May 2026 📍 Makati, Philippines

- Conducted soil investigations and foundation analysis for large-scale infrastructure projects.
- Improved slope stability recommendations that reduced excavation risks by 25%.
- Prepared geotechnical reports and borehole data analysis for government approvals..

Field Geotechnical Engineer

DCCD Engineering Corporation

📅 Jul 2018 - Feb 2020 📍 Pasig, Philippines

- Supervised drilling and soil sampling operations across multiple project sites.
- Performed laboratory testing on soil and rock samples for engineering analysis.
- Assisted senior engineers in foundation settlement studies and recommendations.
