(63) 917-882-1143

Makati, Philippines

🎓 EDUCATION

Bachelor of Science in Computer Engineering

Cloud and Edge Computing

De La Salle University

2015 - 2019

Manila, Philippines

★ SKILLS

- Docker
- Kubernetes
- Edge Computing
- IoT Systems
- Cloud Infrastructure
- Linux
- Network Architecture
- Python

📰 SUMMARY

👤 WORK EXPERIENCE

Edge Computing Engineer

Huawei Technologies Philippines

📅 Mar 2021 - Apr 2026 📍 Taguig, Philippines

- Developed edge computing solutions for IoT and smart city infrastructure projects.
- Optimized low-latency data processing systems for real-time monitoring applications.
- Collaborated with cloud and networking teams to deploy distributed computing systems.

Cloud Infrastructure Associate

Globe Telecom

📅 Jul 2019 - Feb 2021 📍 Quezon City, Philippines

- Assisted in deploying virtualized computing environments for enterprise clients.
- Monitored server performance and edge device connectivity.
- Prepared system configuration and deployment reports.
