WORK EXPERIENCE

Planning Engineer

First Balfour

Jan 2021 - Apr 2026 / Cebu City, Philippines

- Developed CPM schedules for infrastructure and high-rise construction projects using Primavera P6.
- Monitored project progress and identified schedule risks to minimize construction delays.
- Improved reporting accuracy by automating weekly progress tracking dashboards.

Project Scheduler

Monolith Construction

Jun 2019 - Dec 2020 / Davao City, Philippines

- Assisted in baseline schedule preparation and manpower forecasting.
- Coordinated with project managers to update milestone completion reports.
- Prepared delay analysis and recovery schedules for ongoing projects.
