Work Experience

Fluor Corporation

Junior Mechanical Engineer

March 2020 - current | Manila, Philippines

- Designed piping systems for industrial plants, improving flow efficiency by 25%
- Reduced design errors by 30% through improved CAD standards customers per shift.

Holcim Philippines

Mechanical Engineer Intern

June 2019 - Feb 2020 | Makati, Philippines

- Assisted in equipment inspections and maintenance scheduling
- Created process flow diagrams for plant optimization
- Coordinated and distributed tips among a 12-person staff, ensuring fair distribution at the end of each shift.

Skills

- SolidWorks
- AutoCAD Plant 3D
- Piping Design
- GD&T
- FEA Analysis
- Project Management
- Cost Reduction
- Engineering Calculations

Education

Bachelor of Science in Mechanical Engineering

De La Salle University

June 2016 - April 2020 | Manila, Philippines
