EDUCATION

Bachelor of Science in Chemical Engineering

Chemical Engineering

Cavite State University

2014 - 2019

Cavite, PH

SKILLS

- Process Validation
- GMP
- FDA Compliance
- Scale-Up
- Tablet Manufacturing
- ASEAN GMP Guidelines

WORK EXPERIENCE

Process Engineer

Unilab Inc.

February 2022 - current Mandaluyong, PH

- Validated manufacturing processes for 6 oral solid dosage forms per FDA and ASEAN GMP guidelines.
- Led process scale-up activities from pilot to commercial production for 3 new drug products.
- Reduced tablet coating cycle time by 22% through spray parameter optimization studies.

Manufacturing Engineer

Johnson and Johnson Philippines

June 2019 - January 2022 Paranaque, PH

- Managed manufacturing process documentation for 10 consumer healthcare product lines.
- Investigated and resolved 12 out-of-specification batch failures using root cause analysis tools.
- Coordinated equipment qualification activities for 4 new pharmaceutical manufacturing systems.

Process Engineering Intern

Interphil Laboratories

January 2019 - May 2019 Mandaluyong, PH

- Assisted in in-process quality checks during tablet compression and coating operations.
- Observed granulation and blending process monitoring for 3 oral solid dosage products
- Compiled batch manufacturing records for FDA regulatory submission preparation.
